he has my heart

by [lumosdrabbles \(lumosatnight\)](#)

Summary

There's a prisoner buried deep within Hogwarts' walls. Harry shouldn't know about him, but he does. The Dark Lord has many secrets. Harry Potter is about to learn them all.

(One continuous Snirry story told in daily microfics)

Notes

Harry is an unspecified age here, but I'm going with he's probably in at least 6th year at this point. Written for [Microfic May 2024](#). Thanks [mischiefmandied](#) for the beta read!

Create

Chapter Summary

@microficmay day 1 'create'

Harry passes another row of sleeping portraits and ducks his head, pulling his cloak tighter.

Footsteps. Heavy. Filch.

Harry runs — trips — falls.

Down down down. To the depths of the castle. Dark and abandoned.

Harry lights his wand, creating a dim circle of light. It flickers.

He is not alone.

Resplendent

Chapter Summary

@microficmay day 2 ‘resplendent’

There’s a man behind the bars.

His hair is matted and black as a starless night. His skeletal hands grasp at empty air.

His face twists, desperation painted in harsh lines. He must’ve been handsome once — sharp cheekbones, resplendent eyes — but there is nothing left now.

“James,” he says. “James.”

Warmth

Chapter Summary

@microficmay alt 4 'warmth'

"I'm not James." Harry backs away.

"Then, you must be Death. Are you here to kill me?" The man cackles, then coughs.

"I'm Harry, just Harry."

The man extends his hand through the bars.

"Well, just Harry, it's nice to meet you."

His hand is warm when Harry shakes it.

Decision

Chapter Summary

@microficmay day 4 'decision'

Stupid. Reckless. Harry decides to return.

“What’s your name?”

They’re settled on the ground, the gap between them narrow yet impossibly wide.

“It doesn’t matter,” the man rasps.

“It matters to me.” Harry shuffles closer, presses his face against the bars.

The man stares. “You look just like your father.”

Dreams & Reality

Chapter Summary

@microficmay day 5 'dreams & reality'

Did the man know his father? Did he know him well?

Harry lies in bed, staring up at the green canopy. His dormmates sleep on oblivious. Neville snores, Michael grunts, Zacharias snuffles.

In his dreams, his father settles beside him, reads a bedtime story.

In reality, his bed is empty.

Flare

Chapter Summary

@microficmay day 6 ‘flare’

“What was he like?”

The man tilts his head, scratching absently at a torn sleeve.

“Your father was — everything. The best man I ever knew.”

“Did you love him?”

The man laughs, leans back, closes his eyes.

“Did he love you?”

“Can the sun fall in love?”

“Errr... no?”

“Exactly.”

Innocuous

Chapter Summary

@microficmay day 7 ‘innocuous’

Harry brings food — bread and jam and milk — innocuous little things.

“You shouldn’t be doing this.”

“It’s fine.” Harry shrugs. “No one will notice. The house elves won’t tell.”

“I don’t deserve this.”

The man pushes the food away, but Harry pushes it closer.

“Tell me, what did you do?”

Agony

Chapter Summary

@microficmay day 9 ‘agony’

I killed them. It's all my fault.

Harry tosses and turns. His mind screams in agony, his heart refuses to believe.

“Potter, go the fuck to sleep.”

“Piss off, Malfoy.”

He can't sleep, can't breathe.

He pulls back the covers.

One more visit, and then he'll end this — this obsession.

Will

Chapter Summary

@microficmay day 8 'will'

The man has a visitor, unsmiling and unwelcome.

"Potter." Snape sneers. "Of course, it's you. You're the one who's been disturbing the prisoner."

"I'm sorry, professor." Harry lowers his head. Snape always cares about appearances — the show of submission, bending to his will.

Snape's eyes glitter. "Detention. Saturday. My office."

Rise & Fall

Chapter Summary

@microficmay day 10 'rise & fall'

Harry gently shuts the door, the privacy charms sealing them inside.

“Did he touch you?” Severus demands.

“No, of course not,” Harry scoffs, but the waver in his voice betrays him.

Severus cradles his face — each dip and curve, rise and fall, needs and desires.

“Did you want him to?”

Curse

Chapter Summary

@microficmay day 11 'curse'

They are not friends.

He and Snape are — trouble-maker student, detested headmaster, standoffish, forbidding.

Distant and antagonistic.

He and *Severus* are —

Harry curses as Severus's hand strokes him. He hides his face in his robes, embarrassed and aroused.

"None of that." Severus coaxes him out again. "Let me hear you."

Vivid

Chapter Summary

@microficmay day 12 'vivid'

“So, you and Snape, eh?”

Harry passes a tart through the bars.

“Well, sorta.”

The man takes it, hands brushing.

“How long has he been fucking you?”

“We’re not —” Vivid memories engulf him.

“Oh, so it’s you fucking him?”

Harry splutters. The man laughs.

“Relax, love, who would I tell?”

Talisman

Chapter Summary

@microficmay day 13 'talisman'

Unexpected visitors. Surprise inspection.

The pink toad taps her clipboard while McGonagall frowns.

The Dark Lord beckons for Snape.

“Bring the boy too. I want to see his progress.”

Harry is a stringless puppet, feet moving without thinking. He clutches the Snitch in his pocket, hoping one talisman is enough.

Humility

Chapter Summary

@microficmay day 14 'humility'

Humility. Respect. Intimidation.

Harry debases himself before the throne, kisses the hem of dark robes.

He opens his mind and closes his thoughts.

The icy grip releases him, and he is finally free to leave.

“Watch him closely, Severus. Remember, I need him alive.”

Snape bows low. “Yes, my lord.”

Nothing & Everything

Chapter Summary

@microficmay day 15 'nothing & everything'

“Why does he need me?”

“It’s nothing.” Severus hunches over the desk, quill scribbling furiously. There is no rest for the weary.

Harry plucks the quill from his hand.

“What happens if I can’t do what he needs?”

Severus pulls him close, stares him dead in the eye. “You run.”

Squabble

Chapter Summary

@microficmay day 16 'squabble'

"He can help us!" Harry shouts.

"He is a prisoner!" Severus spits.

They do not squabble often, but when they do, it is explosive.

"We can trust him."

"You do not know what he has done, what secrets he keeps."

"I trust him," says Harry, desperate, imploring. "Isn't that enough?"

Worthy

Chapter Summary

@microficmay day 17 'worthy'

“Why didn’t he kill you? What makes you worthier than the others?”

Harry holds the shepherd’s pie, barely out of reach — taunting, bribing. The man smiles at his antics, a cracked and blackened smile.

“I have something he wants, something he needs.”

“What?”

“His soul.” The man snatches the pie.

Healing

Chapter Summary

@microficmay day 18 'healing'

"Horcruxes, are you sure?" Snape looks appalled, disgusted.

"Believe me, or don't. That's what Reggie told me. That's why he died."

"Regulus?" Snape asks sharply. "You know what happened to him?"

The man's shoulders slump, curling forward with grief. "He wouldn't heal. I couldn't save him."

"Who's Regulus?" adds Harry.

Impatience

Chapter Summary

@microficmay day 19 'impatience'

"We need to do something," Harry insists.

"He's endured this long..."

"He could crack at any moment."

Severus clenches the armrests. Harry climbs onto his lap and loops his arms around his neck. He is impatient, anxious, needs Severus to see it too.

"Please, Severus, please."

Severus kisses his cheek.

Push & Pull

Chapter Summary

@microficmay day 20 'push & pull'

Harry pushes forward. Severus pulls back.

“What about —”

“No, that won’t work.”

“But what if —”

“Do you wish to die?”

Harry throws his hands up in frustration. “You’re not helping. Do you even want us to succeed?”

“I want you to be safe.” Severus sneers and storms from the room.

Unhand

Chapter Summary

@microficmay day 21 'unhand'

"We have a plan."

Harry passes an apple through the bars. The man latches on, engulfs Harry's hand in both of his.

Hand over hand, hand under hand.

His hands are warm, his eyes bright. He is not quite handsome, but almost.

"Thank you." He kisses Harry's palm. "Thank you."

Precious

Chapter Summary

@microficmay day 22 'precious'

Harry tosses and turns.

“What’s got your precious panties in a twist?” Malfoy’s voice, scathing and tired.

“Do you ever wish things could be different? Do you ever just want to escape?”

A pause, heavy and wishful.

“Go to sleep, Potter. It’s no good thinking about things you can’t have.”

Mistake

Chapter Summary

@microficmay day 23 'mistake'

Harry unlocks the doors. A minute, maybe two. That's all they have.

The man cowers against the wall, his chains rattling, his shoulders shaking.

"Come with me. It's time."

The man looks up. "You'll regret this. This is dangerous — a mistake."

"Take my hand," Harry says, and the man does.

Elation

Chapter Summary

@microficmay day 24 'elation'

They run — climb — fly.

Up up up. To impossible heights. Over the trees, past the gates.

Harry steers Buckbeak higher, aiming for the unprotected patch in the sky.

Warm hands wrap around his waist. The man laughs in his ear, relief and disbelief, elation and adrenaline.

He is not alone.

Day & Night

Chapter Summary

@microficmay day 25 'day & night'

It's been a day and a night. No news, no letters.

The man checks the paper frantically. Harry watches the fire without blinking, searching for green when there is only red.

Grimmauld Place creaks and groans, brushes off the cutlery, polishes the plates.

A house elf watches from the shadows.

Vex

Chapter Summary

@microficmay day 26 'vex'

The door slams open. Harry has his wand out and ready within seconds. The man grabs a knife.

“Who’s there?”

The portrait screams — vexed, vexing. Terrible, hurtful screeching.

“Nasty half-blood! Traitorous filth! Seduced my darling Regulus. You do not deserve to set a foot in —”

Snape collapses in the hall.

Dandy

Chapter Summary

@microficmay day 27 'dandy'

"How are you feeling?" Harry holds the broth to Severus's lips.

"Dandy."

The man slouches in the doorway. "Were you followed?"

Severus gives a scathing glare.

"What happened?" Harry forces another spoonful.

Severus sips, coughs. "The Dark Lord is extremely displeased, murderously so."

"How did you get away?"

"I ran."

Fetching

Chapter Summary

@microficmay day 28 'fetching'

Severus is still bedridden, weak.

"You want him. Why have you not taken him?"

"He is yours," the man replies.

"He is not mine. Harry is himself. Only he should decide." So, Severus asks him, "Is this what you want?"

"Yes," says Harry.

Severus licks his lips. "Fetch my bag."

Thrall

Chapter Summary

@microficmay day 29 'thrall'

Harry climbs onto the bed. Severus touches his cheek. Harry kisses his palm, in thrall, in love.

The man moves around them.

Hard, eager, slick.

The man moves inside him. Harry hides in the curve of Severus's neck, overwhelmed and helplessly aroused.

Severus coaxes him out. "Let him hear you."

First & Last

Chapter Summary

@microficmay day 30 'first & last'

Hands on his hips. Hands in his hair. Hands pushing him down. Hands holding him up.

Lips on his skin. Lips around his cock.

Harry gasps and pants, arches and rocks.

"Harry," they moan. "My Harry, my love."

Harry comes first, writhing, screaming. The hands hold him close, caressing, soothing.

Fulfilment

Chapter Summary

@microficmay day 31 'fulfilment'

Harry wakes feeling fulfilled and aching. Severus is already gone, letter left on the pillow. The school needs securing, secrets need sowing, plans need brewing.

Be smart. Be careful.

Harry smiles at his lover's slanted handwriting.

Tell Sirius he has my heart. I would like it returned in one piece.

Idle

Chapter Summary

@microficmay alt 3 'idle'

They idle in a Muggle neighbourhood. Painted houses in neat rows. Mowed lawns, pulled curtains.

Merely the first stop on their hunt.

“This is where you hid it?”

“I knew he would never find it here.”

Sirius knocks. A woman answers, suspicious and stubborn.

“Hello, Petunia, it’s been a while.”
